Young Gastech Application Guide

We're so pleased you're applying to join the Young Gastech programme!

You are one step closer to joining our alumni.

Please use this guide to help you get started on your application.

Young Gastech application question

“What roles could the gas industry play in progressing a lower-carbon economy whilst ensuring affordable energy for everyone?”

You can submit your answer in the form of a written essay or a video presentation.

or

Tips to help you with your answer...

- Make sure your answer has a clear structure.
- Show us what you know about the industry already.
- Combine this knowledge with your original ideas.
- Be forward thinking – show us a glimpse of what you think the future will/should hold for the energy landscape.
- Demonstrate your enthusiasm!
- Make your points clear and concise.
- Include ideas about the role your degree and personal expertise will play in future energy industry.

Technical tips for filming your Video...

- Don't worry too much about your camera - we are happy for you to film on your phone.
- Film in a quiet room.
- Make sure we can see you clearly against the background.
- If you are using PowerPoint, make sure we can see the slides.
- Rehearse your presentation has a clear structure.
- Try to keep your video to about 6 minutes.
- Show us your personality and passion!
- Once you have filmed your presentation, upload it to **VIMEO** or **YouTube** and add the file or the link to your application form.
