BROUGHT TO YOU BY

WELCOME

We are delighted to welcome you to Gastech 2026, the world's largest exhibition and conference dedicated to natural gas, LNG, low carbon solutions, electrification and AI for energy.

Now in its 54th year, Gastech convenes at a pivotal moment for our industry. Geopolitical shifts are reshaping supply chains, AI is driving unprecedented energy demand, and the imperative to decarbonise has never been more pressing. These challenges demand the collaboration and innovation that Gastech was built to foster.

Hosted by the Ministry of Energy of Thailand, Gastech 2026 takes place at the heart of Asia, the world's most dynamic and rapidly expanding energy demand region. Home to more than 3.5 billion consumers and accounting for over 70% of global electricity demand growth, Asia's energy future depends on reliable, affordable natural gas, LNG and sustainable fuels.

This planner provides essential information to help you make the most of your participation, including event details, entry requirements, facilities, transport and accommodation.

We wish you a productive and inspiring Gastech 2026, and hope your time in Bangkok strengthens connections, unlocks opportunities and advances your business goals.

Best regards,

Tanya Crossick

Vice President, Gastech

UNLOCK CRITICAL INDUSTRY INSIGHTS WITH YOUR EXHIBITOR PASS

Your 2026 Gastech exhibitor pass provides access to Feature Programmes that bring the energy sector together to connect, innovate, and accelerate the energy transition.

Gain exclusive insights into the latest technological advances, network with industry peers and discover breakthrough solutions that address the most pressing issues facing global energy ecosystems today.

SUPPLY CHAIN & PROCUREMENT PROGRAMME

SCALING RESILIENT AND AGILE ENERGY SUPPLY CHAINS

Growing global energy demand is reshaping supply decisions, infrastructure planning and investment priorities across every region.

The Gastech Supply Chain & Procurement Programme connects solutions providers and procurement professionals to forge the strategic partnerships needed to tackle industry challenges and drive tangible impact in the energy sector.

Build valuable business connections through targeted speed-networking sessions that efficiently link your organisation with the right procurement professionals. Enhance your visibility and commercial impact through the programme, with exclusive access to key buyers and decision-makers.

Supply Chain & Procurement Hub Host

[EXPLORE THE PROGRAMME](#)

SKILLING AND SCALING THE WORKFORCE OF TOMORROW

The new Talent for Energy Transformation programme will bring together Future Leaders and a newly enhanced Inclusion & Diversity track within a unified framework.

This evolved format is designed to enable deeper collaboration and more substantive dialogue, advancing critical industry discussions on talent acquisition, retention, and workforce development. Convening senior leaders and emerging voices from across the global energy value chain, the programme will explore how inclusive cultures, innovative talent and people-first leadership are central to building a resilient, future-ready workforce equipped to deliver the energy transformation.

TALENT FOR ENERGY TRANSFORMATION

FUTURE LEADERS

Designed for university students and young professionals with up to three years of experience, the Future Leaders Programme offers a curated four-day learning journey that builds essential knowledge, insight, and connections. Participants gain exposure to industry leaders, develop future-ready skills, and strengthen their understanding of how innovation, collaboration, and leadership are shaping the energy transition.

Future Leaders Programme Principal Sponsors

EXPLORE THE PROGRAMME

INCLUSION AND DIVERSITY

The Inclusion & Diversity track will bring together key influencers, decision-makers, and thought leaders to reflect on the importance of I&D in the industry, across the Gastech Conferences, from Hydrogen to AI. Interactive and engaging new formats will provide attendees with an unparalleled opportunity to connect, learn, and share insights, aiming to create a more equitable and innovative industry for future generations.

BOOK YOUR STRATEGIC CONFERENCE PASS

UNPARALLELED INDUSTRY INSIGHTS FROM OVER LEADING WORLDWIDE SPEAKERS

At a time of geopolitical uncertainty, shifting trade flows and rising pressure on energy systems, strategic collaboration and knowledge sharing have become more important than ever.

The Gastech Strategic Conference will provide a focused view on the key forces shaping global energy systems, bringing together international leaders and decision-makers from government and industry to highlight the decisions needed to strengthen supply security and market confidence.

Through world-class speaking sessions across seven programmes, the Gastech Strategic Conference is your chance to hear unparalleled thought leadership, insights and strategies to help the industry navigate intensifying demand and the need for security.

EXPERIENCE BANGKOK OUTSIDE GASTECH

EXPLORE ONE OF ASIA'S MOST DYNAMIC AND WELL-CONNECTED CITIES

Renowned for combining rich cultural heritage and warm hospitality with a vibrant business environment and all the conveniences of a cosmopolitan capital, Bangkok is a leading destination for business and leisure travel and an enticing backdrop for Gastech 2026.

With its strong reputation for safety and security, coupled with modern transport networks and world-class premium accommodation, why not make the most of all that Bangkok has to offer during your time at Gastech?

THE GRAND PALACE

One of Thailand's most important architectural and cultural landmarks, the Grand Palace is the centrepiece of Bangkok. Located in the heart of the city, the complex comprises more than 100 royal buildings. Construction of the Grand Palace began in 1782 under the reign of King Rama I, and with later additions from successive monarchs, it represents over 200 years of Thai royal history. The official residence of the King of Thailand until 1925, the palace remains a site for state ceremonies today.

CHINATOWN - SHOPPING AND STREET FOOD

Bangkok's Chinatown is one of the largest and most dynamic in the world, offering an atmosphere that is distinct from the rest of the city. Its main artery, Yaowarat Road, is known for its vibrant streetscape and dense mix of shops, signs and eateries selling everything from trinkets to mouthwatering Chinese-Thai cuisine.

Experience the culture, hospitality and diverse attractions of Bangkok and Thailand with curated private tours and escapes from our official housing partner.

CHATUCHAK WEEKEND MARKET

Visit one of Bangkok's most lively attractions, the Chatuchak Weekend Market. Open from Friday evening until Sunday evening, the market spans 35 acres and features more than 15,000 stalls. Each weekend, this vast and energetic shopping destination attracts around 200,000 visitors in search of everything from clothing, crafts, ceramics and home décor to food, plants, antiques and vintage items. It is a must-see for anyone visiting Bangkok.

WAT PHO - THE RECLINING BUDDHA

Wat Pho also known as the *Temple of the Reclining Buddha* is one of Bangkok's oldest temples and is a major cultural landmark. Famed for its 46-metre reclining Buddha, the temple also houses Thailand's largest collection of Buddha images. Wat Pho is widely regarded as the birthplace of traditional Thai massage, which is still practised on-site. Located near the Grand Palace, the temple features serene courtyards and ornate architecture, making it an essential stop in Bangkok.

BANGKOK'S SHOPPING MALLS

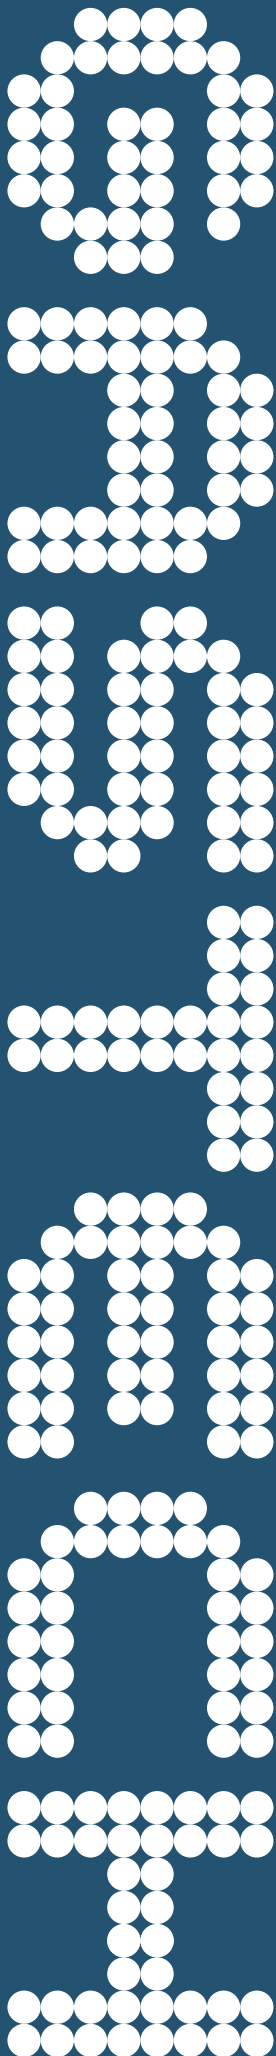

Alongside its landmark temples, vibrant street food and bustling markets, Bangkok is also famous for its vast and modern shopping malls. Offering everything from luxury boutiques and international brands to cinemas, fitness centres and food courts, these large malls showcase the city's blend of global retail, entertainment and contemporary urban life. Located along major BTS routes, these expansive malls are easily accessible for tourists.

BENJAKITTI FOREST PARK & LUMPINI PARK

Benjakitti Forest Park and Lumpini Forest Park provide refreshing escapes from the city's fast pace. Established in the 1920s, Lumpini Park was Bangkok's first public park and boasts walking paths, jogging routes, lake paddling and tai chi practice. Joined by an elevated walkway, neighbouring Benjakitti Park is designed as an urban nature reserve complete with wetlands, elevated walkways and rare plant species.
