BROUGHT TO YOU BY

WELCOME

We are delighted to welcome you to Gastech 2026, the world's largest exhibition and conference dedicated to natural gas, LNG, low carbon solutions, electrification and AI for energy.

Now in its 54th year, Gastech convenes at a pivotal moment for our industry. Geopolitical shifts are reshaping supply chains, AI is driving unprecedented energy demand, and the imperative to decarbonise has never been more pressing. These challenges demand the collaboration and innovation that Gastech was built to foster.

Hosted by the Ministry of Energy of Thailand, Gastech 2026 takes place at the heart of Asia, the world's most dynamic and rapidly expanding energy demand region. Home to more than 3.5 billion consumers and accounting for over 70% of global electricity demand growth, Asia's energy future depends on reliable, affordable natural gas, LNG and sustainable fuels.

This planner provides essential information to help you make the most of your visit, including event details, entry requirements, facilities, transport and accommodation.

We wish you a productive and inspiring Gastech 2026, and hope your time in Bangkok strengthens connections, unlocks opportunities and advances your business goals.

Best regards,

Tanya Crossick

Vice President, Gastech
dmg::events

WHERE GLOBAL ENERGY SUPPLY MEETS DEMAND

Gastech is the world's largest exhibition and conference dedicated to natural gas, LNG, low carbon solutions, electrification and AI for energy.

In 2026, Gastech convenes in Bangkok, one of the world's most dynamic energy hubs, bringing together stakeholders from across the global energy value chain to align priorities, accelerate strategies and unlock opportunities at a defining moment for the industry.

With worldwide representation, Gastech creates a high-impact commercial environment where conversations translate into partnerships, investment and growth. Explore dedicated industry areas spanning Natural Gas & LNG, Low Carbon Solutions, Hydrogen, and Shipping & Marine, alongside the co-located AixEnergy exhibition showcasing technologies shaping how energy is produced, transported and optimised.

The Gastech Conferences sit at the heart of the global energy dialogue, bringing together policymakers, CEOs and industry experts across 200 sessions and 15 programmes, focused on turning ambition into action. Upgrade required, please visit gastechevent.com/delegatepass

THE GASTECH EFFECT - RESULTS FROM PREVIOUS EDITION

- **US\$60 billion** in commercial agreements and investments facilitated
- **20+** strategic agreements and MoUs signed on site
- **600+** curated meetings through the Hosted Buyer Programme
- A record-breaking **50,000 participants** from over **150 countries**

Register as a visitor:

Thursday 17 September	09:00 - 14:00

YOUR CHECKLIST

To ensure your visit to Gastech goes as seamlessly as possible, we recommend you go through the checklist below before you travel:

✓ REGISTER IN ADVANCE AND PRINT YOUR BADGE

Register in advance to ensure smooth entry to Gastech at BITEC. Your visitor badge provides access to both the Gastech exhibition and the co-located AixEnergy exhibition.

Secure your pass at gastechevent.com/visit/visitor-registration.

✓ BOOK YOUR TRAVEL

Fly with Thai Airways, the official carrier for Gastech 2026, and access exclusive fares. Quote Event Name GASTECH 2026 and Event Code TG2431857.

More information on page 17.

✓ BOOK YOUR ACCOMMODATION

Preferential rates at selected Bangkok hotels are available through CDM Thailand, the official travel partner.

More information on pages 17 and 20.

✓ COMPLETE YOUR THAILAND ENTRY REQUIREMENTS

Two steps every international visitor should complete before flying: the Thai e-visa check and the Thailand Digital Arrival Card.

Full details on the next page.

✓ PLAN YOUR JOURNEY TO BITEC

BITEC is directly connected to the BTS Skytrain network.

More information on pages 18-20.

✓ DOWNLOAD THE GASTECH NETWORK APP

Browse exhibitors, build your agenda and start networking before you arrive.

✓ ON-SITE REGISTRATION AND INFORMATION DESKS

Forgot to pre-register? Registration terminals are located throughout the venue. Dedicated information desks with helpful staff are located throughout the venue.

BEFORE YOU FLY: THAILAND ENTRY REQUIREMENTS

Bangkok welcomes visitors from all over the world, and a few minutes of preparation will make your arrival effortless. Every international visitor to Gastech 2026 should complete the two steps below.

STEP 1

CHECK WHETHER YOU NEED A VISA

Visa requirements vary by nationality. Check your requirements and, where necessary, apply through the official Ministry of Foreign Affairs of Thailand e-Visa portal at thaivisa.go.th, or contact your local Thai embassy or consulate.

Travellers are responsible for arranging and covering the cost of any required visa.

STEP 2

COMPLETE YOUR THAILAND DIGITAL ARRIVAL CARD (TDAC)

All international visitors must complete the Thailand Digital Arrival Card before entering Thailand.

Register online at tdac.immigration.go.th/arrival-card/#/home within three days before your arrival date.

The TDAC is free of charge. Please use only the official immigration website.

AT THE AIRPORT

KEEP YOUR TRAVEL DOCUMENTS ACCESSIBLE

Have your TDAC confirmation and, where applicable, your e-Visa ready when you arrive in Thailand.

Keep digital copies easily accessible on your phone or carry printed copies so they can be presented to immigration officials if required.

MAXIMISE YOUR EXPERIENCE AT GASTECH

PROMOTE YOUR ATTENDANCE

Share a personalised LinkedIn banner and post to your network by following the steps below:

- **Scan the QR code** or visit the 'I'm attending' page to generate your personalised visitor banner
- **Log in** to your LinkedIn account
- **Edit the text** (optional)
- **Publish the post** and share the link with your colleagues too

Available on iOS and Android.

HOW TO ACTIVATE YOUR PROFILE

STEP 1

Register for your Gastech visitor badge at gastechevent.com/visit/visitor-registration. All registered badge types will have access to the app.

STEP 2

Download the Gastech mobile app at gastechevent.com/app. Use your registered email address to create a password and activate your profile.

STEP 3

Update your profile and begin networking. The connections you can make will depend on your badge type.

EXPLORE THE EXHIBITION BETWEEN SESSIONS

Your speaker badge admits you to the full Gastech Exhibition and the co-located AixEnergy exhibition across all four days. The exhibition occupies the Ground Level of BITEC, one level below the conference floor.

NATURAL GAS & LNG

The technologies and partnerships reshaping global gas and LNG markets, from next-generation liquefaction and floating LNG to methane abatement and digital optimisation.

LOW CARBON SOLUTIONS

Commercially viable technologies for industrial decarbonisation, emissions performance and energy efficiency across the value chain.

HYDROGEN

The latest advancements in hydrogen production, transport, storage and utilisation, as national strategies scale from pilots to projects.

SHIPPING & MARINE

Solutions enabling sustainable, secure trade flows: alternative fuels, resilient fleets and digital transformation.
Industry Area Host: Mitsui O.S.K. Lines.

AIXENERGY - Co-located exhibition

The practical intersection of AI and energy, from data centres and grids to producers and industrial operations. One badge, two exhibitions. The AixEnergy Area is hosted by Bloomberg.

COUNTRY PAVILIONS

12 national pavilions: China, France, Germany, India, Italy, Nigeria, Norway, Oman, South Korea, Thailand, Timor-Leste, United States.

WHERE AI MEETS ENERGY DELIVERY

As artificial intelligence and energy systems become increasingly interdependent, decisions around infrastructure, power and digital capability can no longer be addressed in isolation. AixEnergy, co-located with Gastech, is a global exhibition and conference focused on the practical intersection of AI and energy, bringing together the organisations designing, powering and operating the systems that now underpin the AI economy, from data centres and grids to energy producers and industrial operations, alongside the policymakers and regulators whose decisions enable AI infrastructure deployment at scale.

ONE BADGE, TWO EXHIBITIONS

Your Gastech visitor badge provides access to both Gastech and AixEnergy, the full breadth of the global energy value chain, from established industry leaders to ground-breaking start-ups solving critical infrastructure and energy constraints.

THREE DAYS OF AI AND ENERGY INSIGHT

The AixEnergy agenda spans every stage of the AI and energy ecosystem, from executive discussions on AI strategy, investment and infrastructure to technical sessions showcasing real-world AI applications across power generation, utilities, grids, LNG, hydrogen and industrial operations. Build a personalised programme aligned to your role and interests. **Taking place from 14-17 September.**

THE AIX AREA IS HOSTED BY BLOOMBERG.

Discover more at aixenergy.com or enquiry@aixenergy.com.

SUPPLY CHAIN & PROCUREMENT HUB

SUPPLY CHAIN &
PROCUREMENT HUB HOST:

SCALING RESILIENT AND AGILE ENERGY SUPPLY CHAINS

As pressure builds across global supply chains, delivering energy reliably and at scale has never been more critical. The Supply Chain & Procurement Programme brings together senior supply chain, commercial and operations leaders to address the challenges reshaping global energy delivery.

Expert-led discussions provide practical insight into operational excellence, risk management and resilience, while face-to-face networking connects participants with new partners, solutions and business opportunities across the global energy supply chain.

WHY ATTEND AS A VISITOR

- Complimentary access with visitor registration, no delegate pass required
- Strategic discussions on key supply chain and procurement priorities
- Practical takeaways on operational excellence, risk and resilience

TALENT FOR ENERGY TRANSFORMATION

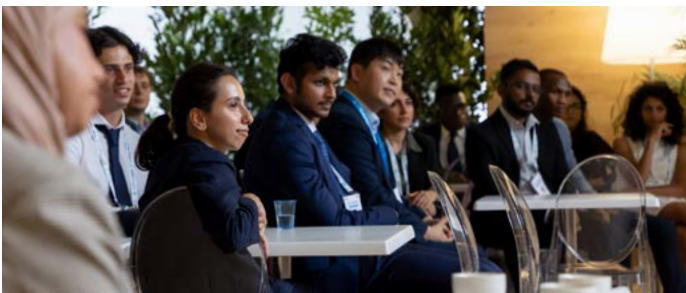

ADVANCING TALENT, INNOVATION AND GLOBAL COLLABORATION

FREE TO ATTEND
WITH YOUR
VISITOR PASS

The Talent for Energy Transformation programme brings together Future Leaders and an enhanced Inclusion & Diversity track, creating a unified platform for dialogue on talent acquisition, retention and workforce development.

Bringing together senior leaders and emerging voices from across the global energy value chain, the programme explores how inclusive cultures, innovative talent and people-first leadership can build a resilient, future-ready workforce.

FUTURE LEADERS

Designed for university students and young professionals with up to three years' experience, the Future Leaders Programme offers a four-day learning journey focused on knowledge, skills and connections.

Participants gain access to industry leaders and explore how innovation, collaboration and leadership are shaping the energy transition.

FUTURE LEADERS PROGRAMME
PRINCIPAL SPONSORS:

INCLUSION & DIVERSITY

The Inclusion & Diversity track brings together influencers, decision-makers and thought leaders to explore the importance of I&D across the Gastech Conferences, from Hydrogen to AI.

Interactive formats provide opportunities to connect, learn and share insights, supporting a more equitable and innovative industry for future generations.

STRATEGIC & COMMERCIAL CONFERENCE PROGRAMMES

The Strategic Conference provides a focused view of the forces shaping global energy systems, bringing together senior leaders and decision-makers to address key challenges across policy, investment and delivery. Covering natural gas and LNG, low carbon solutions, hydrogen, electrification and AI, the programmes explore emerging markets, capital flows and technologies being deployed at scale.

STRATEGIC LEADERSHIP

Ministers, CEOs and policymakers shape the agenda on geopolitical and economic issues affecting energy.

ELECTRIFICATION

Shaping the next phase of electricity transformation in Asia and beyond, energy security, market reform, grid resilience and integration.

GLOBAL ENERGY REGULATORS FORUM

Regulators and policymakers translate policy into energy opportunities across established and emerging markets.

JAPAN ENERGY

Examine how Japan's LNG strategy, power sector transition and industrial demand are shaping global gas markets.

LOW CARBON SOLUTIONS

Real-world strategies for cutting emissions while driving innovation, resilience and competitiveness.

AIXENERGY

Executive dialogue on AI strategy, investment and infrastructure and how energy will power the age of AI.

HYDROGEN

Policy frameworks, investment and infrastructure to accelerate hydrogen's role in the global energy mix.

TECHNICAL CONFERENCE PROGRAMMES

The Technical & Commercial Conference focuses on the technologies, expertise and operational strategies enabling energy systems to perform, scale and deliver. Designed for engineers, technical specialists and commercial leaders, it provides actionable insight to support project delivery and operational excellence with every programme built on peer-reviewed Call for Papers submissions, each reviewed by the Gastech Governing Body, a dedicated committee of 50 industry experts.

EPC & GAS PROCESSING

Engineering, procurement and construction excellence across gas processing and project delivery.

COMMERCIAL

Market structures, contracting, trading and the commercial strategies shaping global gas and LNG.

LOW CARBON SOLUTIONS

Technical presentations on the low carbon solutions decarbonising the energy value chain.

AI & DIGITALISATION

The science and engineering behind AI adoption across energy operations.

HYDROGEN

Breakthrough technologies and equipment across hydrogen production, storage and distribution.

SHIPPING & MARINE

Leading industry papers on infrastructure, alternative fuels and marine decarbonisation.

Group bookings support stronger alignment and greater impact on site, with group savings available.

Contact the Delegate Services Team at gastechdelegates@dmgevents.com.

PLAN YOUR VISIT

PARTNERED WITH 

FLY WITH THE OFFICIAL CARRIER

Fly with confidence with Thai Airways, the national carrier for Gastech 2026. Attendees can access exclusive fares and dedicated support for a convenient journey.

For special rates, quote Event Name **GASTECH 2026** and Event Code **TG2431857** when booking via the Thai Airways MICE offers portal.

BOOK YOUR ACCOMMODATION

Book with confidence and preferential rates through CDM Thailand, the official housing partner for Gastech 2026. Choose from selected Bangkok hotels with convenient access to BITEC via the BTS Skytrain, using the interactive map to filter by distance.

Book accommodation at gastechevent.com. For group reservations, contact gastech2026@cdmthailand.com.

CURATED EXPERIENCES: BANGKOK AND THAILAND

During Gastech 2026, attendees are invited to enjoy private, tailor-made visits and curated Bangkok and Thailand experiences organised by our housing partner - showcasing the region's culture, attractions and hospitality. Discover tour options at accommodation.gastechevent.com.

ENTRY REQUIREMENTS

Don't forget the two steps every international traveller should complete before flying - the Thai e-visa check and the free Thailand Digital Arrival Card. [Full details on page 5.](#)

GETTING TO GASTECH

BY TAXI AND RIDE-HAILING

Metered taxis and ride-hailing services, including Grab and Bolt, operate throughout Bangkok. Ask your driver for the BITEC EH103 drop-off, located outside the event halls, for convenient access to the venue.

BY BTS SKYTRAIN

BITEC connects directly to BTS Bang Na station (E13, Sukhumvit Line) via a covered skywalk. The line links the venue to key hotel districts including Thong Lo, Phrom Phong and Asok, typically within 4-10 stops.

Many official hotels offer complimentary shuttles to their nearest BTS station (see page 20).

FROM THE AIRPORTS

Suvarnabhumi Airport (BKK) is approximately 18 km from BITEC, around 25-40 minutes by taxi, depending on traffic, or via the Airport Rail Link and BTS. Don Mueang Airport (DMK) is approximately 40 km away.

DRIVING TO BITEC

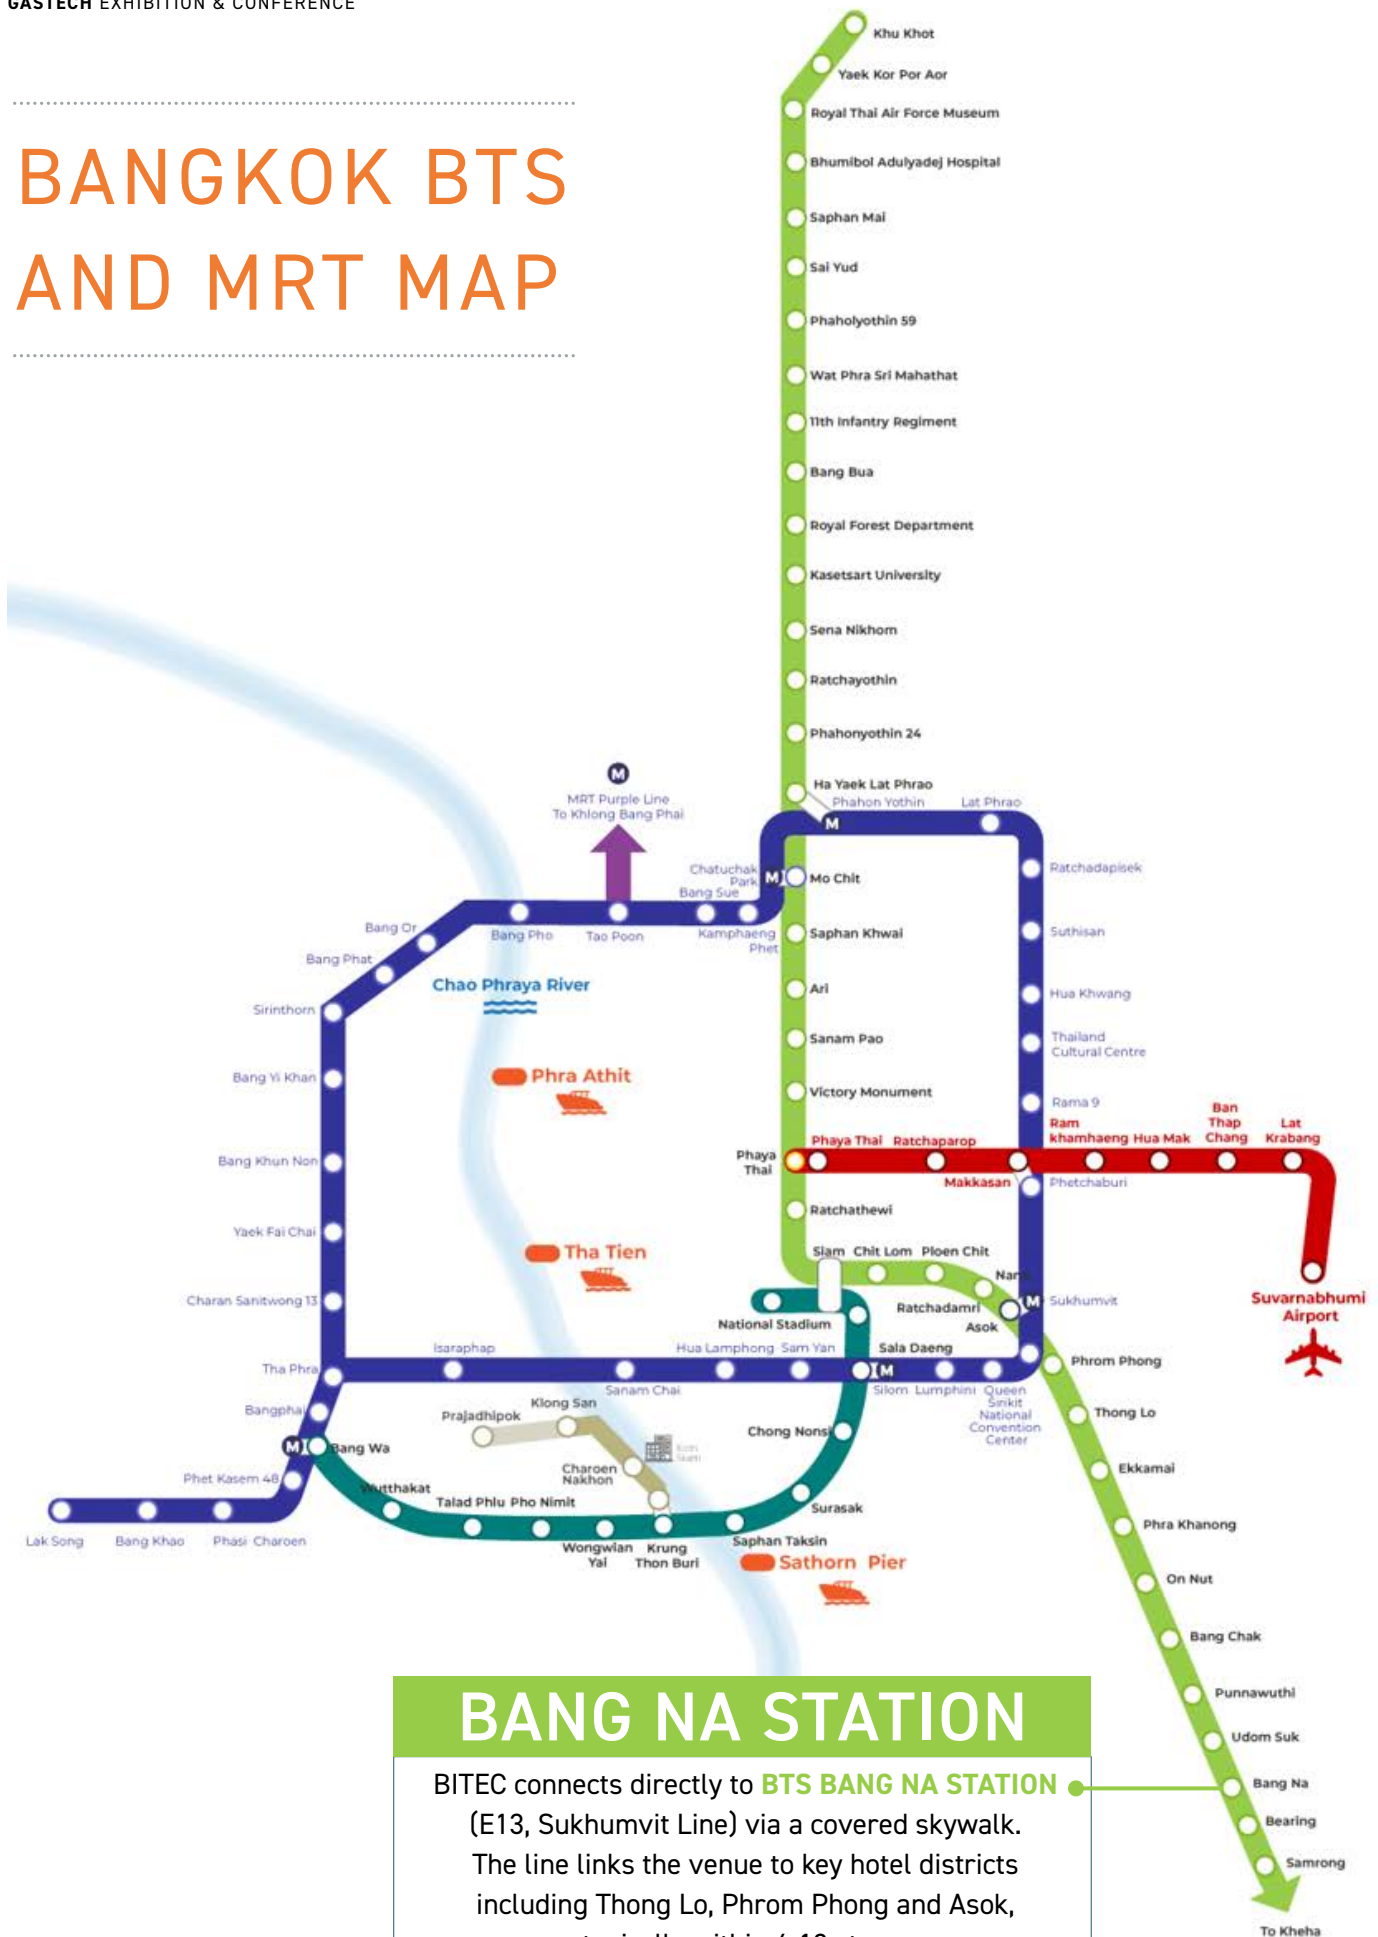

Approach via Entrance 3, exiting the Expressway onto Samrong (Sukhumvit) Road. Keep left for BITEC and follow venue signage. Parking is available on site, with the general drop-off outside Hall EH103.

PARKING

BITEC offers 5,000+ parking spaces, with indoor parking free for the first 30 minutes and outdoor parking free for the first 3 hours. Parking is then charged at 20 THB per hour.

For further information, visit bitec.co.th/visitor-guide.

BANGKOK BTS AND MRT MAP

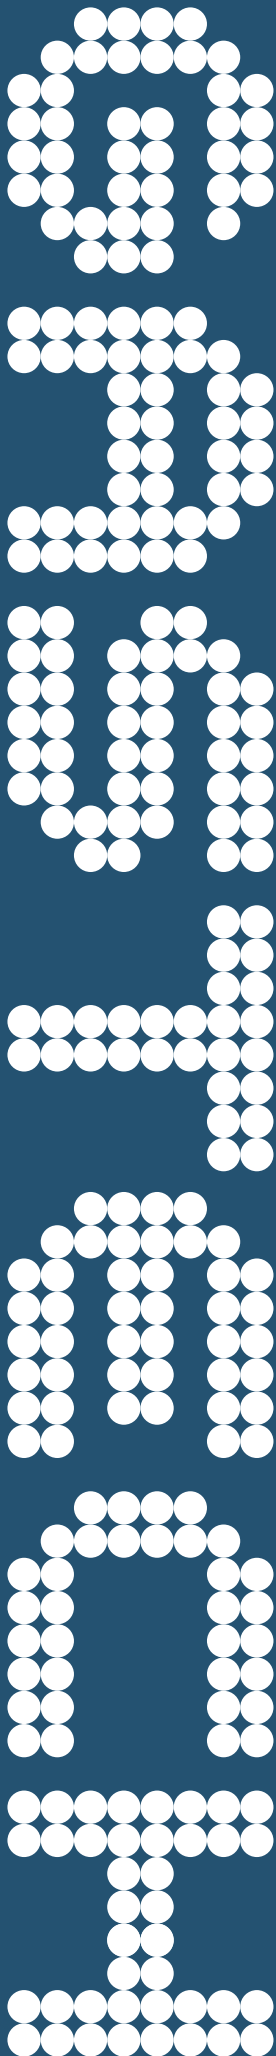

STAY CONNECTED TO BITEC

Gastech's official housing partner, CDM Thailand, offers preferential rates at selected Bangkok hotels with convenient access to BITEC via BTS. Many provide complimentary station shuttles. See selected hotels and BTS/MRT connections below, with the full list, availability and interactive map at gastechevent.com.
